## Goal 1: Increase Student Achievement

- Ensure that all students will be prepared for Algebra I by the end of 8th grade.
- Ensure that, at the end of 3rd grade and all subsequent years thereafter, students will be reading on grade level.
- Attain 100% graduation.

## Goal 2: Ensure Effective and Efficient Operations

- Develop a systematic approach to identify and evaluate the operational processes of the district.

## Goal 3: Strategic Communications with Stakeholders

- Implement a district-wide communication plan.
