160 North Evarts  
Powell, Wyoming 82435  
<http://www.park1.net/>

Happy holidays from the Powell Schools Foundation. We hope your Thanksgiving was spent with friends and family and that you are enjoying the excitement of the Christmas season. In the spirit of this "thankful and giving" season, we would like to share our accomplishments of the year with you. Enclosed is our 2011 Report Card.

Partnering with the Powell High School Alumni Association tops the list for new accomplishments. 2011 marks year one of the Distinguished Alumnus Award given by the Foundation to a PHS graduate. Our first award recipient was Larry Hart from the PHS Class of 1964. We were able to present the award to Mr. Hart at the annual PHS Alumni Association banquet in June. We look forward to many more joint projects with the Association.

Our efforts to support the students and graduates of the Powell schools would not be successful without your support. Our goal is to encourage giving of any size to support a variety of projects and needs. Any gift, regardless of size, helps our students learn, lead and excel. We humbly ask you for your financial support.

Thank you for taking the time to consider sharing a gift with us. We hope you feel the passion that our Board of Director's does and know that we are very appreciative of your support. Your gift will be tax deductible as defined by IRS rules. Please use the insert from our Report Card to define and send your donation to us; our goal is to honor your wishes.

Sincerely,

A handwritten signature in blue ink that reads "LeAnne Kindred". The signature is written in a cursive style.

LeAnne (Jones) Kindred ('82)  
Foundation Secretary
